

# BIOSTIMULANTS (Organic Foliar Spray)

Product Code : WA321

## HIFOLIAR PLUS® Biostimulant (Organic Foliar Spray)

Specification :  
Amino acids & Peptide extracts 60% w/w,  
Inerts 40% w/w

### What is HIFOLIAR PLUS® ?

Proteins are one of the back-bone molecules for all life forms. HIFOLIAR PLUS® is a source for amino acids that are required for protein synthesis. These amino acids present in HIFOLIAR PLUS® are present in their readily available form that can be easily utilized by the plants.

### Why HIFOLIAR PLUS® ?

- Completely water soluble
- Easy source of nutrient for Plants
- Increases flowering and fruiting
- Helps to withstand environmental stress
- Increases total plant yield
- Helps in vigorous growth of plants
- Plants require less energy for its uptake.
- It can be easily absorbed through leaves
- Benefits in overall plant development

### When to Use HIFOLIAR PLUS® ?

- Immediately after initiation of germination stage.
- During initiation of flowering and fruiting stage.
- During or after environmental stress.
- When soil is depleted for nutrient supply.

Mode of application	Purpose	Dosage
